WHAT OUR USERS SAY

Digivestments

MINTEX has been helping my family since 2017. I have been able to provide for my family through MINTEX

J Scaly

I can't afford not using MINTEX. The time saves, how easily I can do all do my trading using my smartphone anywhere. Your project is revolutionary, can't afford not using it.

Shano

The alerts are very accurate. They signal you as soon as it hits the price target, not 1 second later. Perfect

Crypto Friend

If I really have to put away MINTEX I would really put my trading away.

The cryptocurrency market is gaining popularity, in addition to the well-known Bitcoin, and there is a wide variety of other virtual currencies ...

Crypto trading has often been regarded as something that has to be done on a computer, but one company is managing to reach traders ...

Owning a smartphone, like owning bitcoin, is obligatory these days. All the cool kids are doing it, along with all the uncool kids who were holding ...
